**VICTOR YUAN**

**A Survey of Chinese Spirituality**

**Friday, May 1, 2009**

**1:30 pm**

**Burton D. Morgan Center, Room 121  
Discovery Park**

As the material life improves in China, people's quests in the spiritual realm begin to increase, and people begin to accept various beliefs with interests. What is the current spiritual life of the Chinese people? What do they believe? Does belief contribute to shaping the Chinese values and sense of happiness?

**Victor Yuan** *is the founder and president of Horizon Research Consultancy Group. Under his leadership, the company has become a famous brand-name in the area of domestic market and social research and consulting.*
